Your library card (first one free for residents – a replacement card costs \$10.00 for adults and \$5.00 for minors) **enables you to:**

- Borrow books, CDs and selected magazines for three weeks and videos and DVDs for one week – from any public library in the State (\$1.00 charge per video/DVD)
- Renew books, CDs, and videos/DVDs over the telephone – limited to one renewal per item
- Use the Internet in the Library at no charge – limited to one, 1 hour session per day
- Access the Hawaii State Public Library System's Public Access Catalog (PAC) and EBSCO full-text magazine indexes and other commercial databases from home or the office via the Internet. The full text of the articles can be printed (\$0.10 per page if printed in the library) or e-mailed to any valid e-mail address.

The PAC enables you to:

- Request items ("hold/reserve") from other libraries and pick up at the library of your choice
- Access your library account for items checked out, items requested, *fines and other account messages
